

# THE FAITH THAT FINDS THE TREASURE

## Fall '24 Agros Conference

*Our churches' dangerous calling: be in the world but not of the world. Many churches—great and small—have been overcome by the world. How can a church endure this suffocation or seduction of the world? The Agros Fellowship believes the answer is plain: "And this is the victory that has overcome the world—our faith." (1 John 5:4) Frantically chasing greater attendance, resources, or social influence will not overcome the world. The world can overcome all those things in a day. But an ordinary church, devoting extraordinary faith to the Word, prayer, fellowship, and ordinances can overcome the world. Because, in those means of grace, we find the One who has already overcome the world (John 16:33). Please come to fill up and deepen that faith which first found the treasure of Christ's grace. We will have teaching from local pastors, prayer, fellowship, and singing.*
