

2025 AGROS CONFERENCE

“The Mediator of the Kingdom”

1 Timothy 2:5 says, “For there is one God, and there is one mediator between God and men, the man Christ Jesus”. Christ Jesus is the only mediator of God’s kingdom: our Prophet, our Priest, and our King. This truth not only affects how we are saved. It affects what kind of churches we build. It builds churches who reverberate with the Word of our Prophet. It builds churches who pray with confidence in our Priest. It builds churches who advance with the gospel of our King. The Agros Fellowship invites you to join us in the ordinary means to this extraordinary mediator for building up our churches.
